MALAYA - STRAITS SETTLEMENTS - FMS

Penang/ Perak

July 1922

Internal rate postcard (Dispensary, Penang) of 1918 from Penang, Straits Settlements, initially to Teluk Anson, Perak postmarked 25 JY 1922.

The arrival/transit mark of Teluk Anson is 26 JY 1922. The addressee had left and the card was readdressed to Beaulieu, England via Ipoh, Perak which applied a transit mark of 27 JY 1922. The rate for a postcard to the UK was 4 cents and this created a deficiency of 2 cents (4 cents minus the 2 cents local postcard). The postal authorities in Ipoh taxed the deficiency and applied a manuscript "30c" for a single deficiency in gold centimes.

On arrival in the UK a "1½d/ I.S./ R." postage due mark was applied in London. The arrival mark of Beaulieu, Brockenhurst of 30 AU 1922 is on ½d and 1d postage due stamps.

MALAYA - FEDERATED MALAY STATES

Selangor

November/December 1922

Underpaid letter from Kuala Lumpur, Selangor, Malaya to Chicago, USA postmarked 27 NO 1922 on a copy of the 6 cents of May 1922 on the reverse. The rate was 12 cents and the deficiency was 6 cents.

There is an obliterated "kTi" (Taxe) mark in a triangle on the obverse next to a blue manuscript "50c" to indicate 50 gold centimes. There is no logical reason for the deletion of the tax marking and it is not possible to establish with certainty where the deletion took place. The fact that the letter is endorsed "stamped" might have led the Selangor post office to think that a second 6 cents stamp had been improperly removed. There is no sign that postage due was changed on arrival in the US.
